Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Joseph Keels Elementary School for Entrepreneurial Leadership is the home of the proud Keels' Cubs! This school year we had continued success with our Entrepreneurial Leadership Magnet, and experienced significant gains in our students' academic performance. Students are continuing to learn about both broad and finite concepts related to entrepreneurship, and are given abundant opportunities to put these concepts and skills into practice in their work.

Faculty and staff continue to work to design lessons that provide natural integrations and connections to the core goals of our dynamic leadership program. All homeroom classes represent mini-classroom economies. Our partnership with the SC Economics Council of the Darla Moore School of Business at USC drives our mini-classroom economy direction. We have a professional development focus on designing engaging work for students, and teaching Common Core State Standards with fidelity. We had an increased focus this school year on well-developed assessments, reflecting on their effectiveness, and a commitment to all assessments being standards-based without exception. With parent involvement continuing to be a priority, our teachers met with every parent this year in some capacity. We also work as a collective faculty and in teams to determine the most effective ways in building upon our current successes, and creating new ones.

With a whole-child focus we continued to provide enriching afterschool and summer programs. Our "Breakfast in the Classroom" and "School Dinner" Programs also continue to provide our students with excellent nutritional options and learning related to a healthy lifestyle.

Student recognition for achievement was highlighted through the Honor Roll Wall and Awards Program, National Junior BETA Club, Reading Counts, D.A.R.E., and Presidential Scholar Awards. We continued to implement our Positive Behavior Intervention and Supports Program (PBIS). Students are rewarded for their positive behavior with incentives such as, "cubby bucks," and a bi-annual bicycle give away. Our 3rd annual Keels' Spring Fling Pageant fostered much school and community support, and was a great success! Home Depot and Celerion Group continue to be dynamic partners. We also continue to be proud of stellar opportunities and programs like our engaging field studies, Career Day, Field Day, and Jump Rope for Heart. For the 2nd consecutive year we have been the #1 Richland Two elementary faculty and staff for contributions to the United Way of the Midlands. Through our work we have validated our school's motto for the year: "Anything can happen, Anything can be!"
